

ACKNOWLEDGEMENTS

The completion of this undertaking could not have been possible without the participation and support of so many people whose names may not all be enumerated. Their contributions are sincerely appreciated and gratefully acknowledged.

However, the team would like to express their deep gratitude, to the following people in particular:

to the team of Fachschaft Anglistik/Amerikanistik WWU for their moral and financial support in desperate times,

to AOR Simon Rosenberg for organisational aid and the workshop that started it all,

to AOR Silja Fehn for her assistance and recognising this project as work experience,

and to Corinna Lenhardt for her advice on publishing journals in print and in digital.

We are also grateful for the support and inspiration from the faculty and staff of the English Department.

We would like to thank Geer Rift for his workshop on layout, and Natalie Brege, Andrej Rommel and Zoya Rommel for their explanations and tireless advice on how to make the journal look better.

We would like to say thank you to all relatives, friends and colleagues, who in one way or another believed in us.
