

Quick guide to using video conference bar and display with Zoom:

Step 1: Turn on the display and the video conference bar via the power strip.

Step 2: Connect your laptop with the HDMI cable and the USB cable labeled "Conference".

Step 3: Start the Zoom software on your laptop.

Step 4: Now select the camera via the camera symbol in an already started Zoom session as follows:

Camera = **Logitech Meetup**

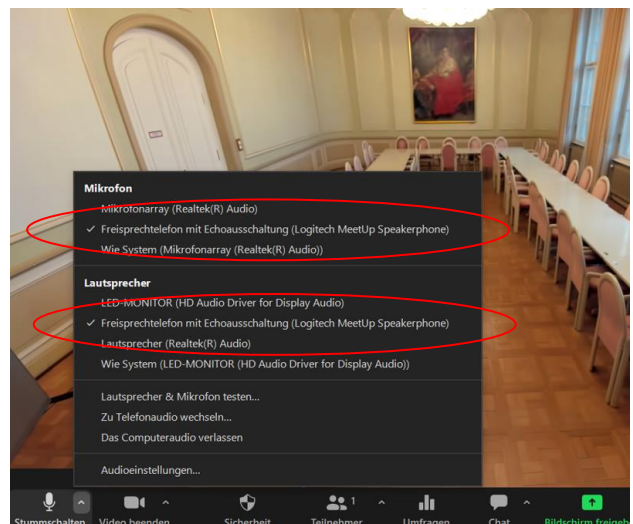

If necessary, set HD:

Zoom Settings -> Video -> Camera -> HD

Step 5: For the audio settings, select the following via the microphone symbol in an already started Zoom session:

Microphone = **hands-free phone with echo cancellation (Logitech Meetup Speakerphone)**

Lautsprecher = **hands-free phone with echo cancellation (Logitech Meetup Speakerphone)**
