› Speaker & Topic

Prof. Dr. Thomas Gutmann is holder of the Chair for Civil Law, Philosophy of Law and Medical Law at the University of Münster. He is an Inhouse Fellow of the Centre for Advanced Study “Access to Cultural Goods in Digital Change”. In his lecture, he will discuss whether cultural appropriation is suitable as a tool of criticism, how other concepts are important to be differentiated from it and what makes a group a possible legal entity with regard to cultural property and inheritance.
