

APPLYING MADE EASY

Checklist for applying to the Master program "Molecular Biomedicine" at the University of Münster

When are the application deadlines?

<https://www.uni-muenster.de/studieninteressierte/en/bewerbung/fristenundtermine.shtml>

Do I meet the requirements?

- B.Sc. degree in a relevant field
- Grade point average (≤ 2.3 or top 40%)
- Transcript available prior to the enrollment deadline

Do I have the following documents ready?

- Proof of university entrance qualification
- Bachelor's degree certificate (if the final certificate is not yet available, a provisional one must be provided)
- Proof of completed academic achievements and exams (e.g. transcript of records)
- Curriculum vitae (CV)

Do I need additional documents?

Bachelor's degree/qualification was not obtained at a German-speaking institution:

- Proof of sufficient German language skills (at least DSH2-level)

Possession of potentially relevant additional qualifications for the master's degree program:

- Evidence, e.g., job references, additional degrees, relevant internships

Final task:

- Prepare for my personal selection interview

Everything checked off? Then we wish you the best of luck with your application!
