

Grant for a research stay of USP researchers at the University of Münster

In the frame of the DAAD supported Project **wwu.usp**, which aims at setting a strategic partnership with the University São Paulo (USP) in Brazil, the Brazil Centre of the University of Münster (WWU) offers a financial grant for one USP-researcher (lecturer or post-doc) of any area, who is interested in a research stay at the WWU for one month. An extension of the stay is possible at one's own account.

The grant serves the direct contact for initial approaches and/or discussion of bilateral cooperation projects with existing or future partners at the WWU. It covers costs for travel as well as residence in the form of lump sum for flight tickets (1250 Euros, economy class) and a monthly benefit of 2000 Euros, according to DAAD allowance rules.

Conditions:

- Post-docs must have a link to the USP

Documents needed for the application:

- For Post-docs a letter of recommendation from the USP advisor
- Description of research focus and activities to be performed (use application form annexed to this call)
- Commitment between the advisors (use sheet annexed to this call)

Application:

Interested researchers must submit their applications via e-mail, including all requested documents as one single PDF-document, to the Brazil Centre of the WWU at: brazil.centre@uni-muenster.de

Incomplete submissions will not be considered.

Deadline for application: **April 28th, 2017**

Important remarks:

- Deadline for selection results: May 28th, 2017
- Start of activities: from July 1st, 2017
- The travel lump sum and the monthly benefit will be paid after arriving in Münster.
- The call is valid for activities performed in 2017 only.

Report:

After concluding the research stay the grant holders are requested to deliver a short report (ca. two pages, use report form annexed to this call), including performed activities, results and perspectives of further cooperation.

For questions or help in the case of finding a WWU partner:
